Internationella Engelska Gymnasiet Södermalm

Stockholm

Natural Science Program with Specialization Leadership

Aug 2012 – June 2015

- Chosen by my peers to represent the class in the student council's election committee.
- Earned a scholarship for a natural science degree project and collaborated with two co-writers on it.

WORK EXPERIENCE

IKEA

Stockholm

Co-Worker

Apr 2018 – Present

- Demonstrated effective problem-solving and decision-making skills in resolving customer issues through analytical thinking and appropriate solutions, resulting in high levels of customer satisfaction.
- Worked effectively under pressure, as measured by consistently meeting customer demands during busy hours, by adapting to fast-paced work environments and remaining focused on the task at hand.

Body Bazar

Stockholm

Web Content Writer

Jan 2016 – Aug 2019

- Authored engaging and informative articles on topics related to the business, as well as product descriptions.
- Optimized content for SEO by incorporating relevant keywords to boost the website's search engine visibility.
- Collaborated with the team to create a content strategy tailored to the website's target audience and brand.

Scila AB

Stockholm

DevOps Engineer Intern

Nov 2023 – Apr 2024

- Utilized a range of DevOps tools such as Linux, Git, Bash, Ansible, Jenkins, and Docker to automate and improve processes in team projects.
- Applied Agile and Scrum methodologies, using JIRA for project tracking, to enhance team collaboration and project management.

LEADERSHIP EXPERIENCE & ACHIEVEMENTS

YouTube Content Creator

- Created a YouTube channel, producing and uploading engaging videos on a regular basis.
- Generated 900,000+ views on my videos with very positive feedback from the viewers.
- Enhanced my skills in video production and editing using software such as Sony Vegas, Photoshop and Audition.

Professional Swimmer

- Participated in swimming competitions, achieving several victories and contributing to the success of the team.
- Set challenging goals, developed strategies to effectively achieve them, and constantly evaluated and refined my performance; an experience that taught me the value of hard work, discipline, and persistence.
